

Arizona Pharmacy Alliance presents Online Pharmacy Law/Quality Assurance Course 15 Hours of CE over 2 weeks - completely Online!

Designed to provide home study law credit to any pharmacist wanting to learn about quality assurance strategies and Arizona's pharmacy laws, this course can be used for reciprocity into Arizona, by recent pharmacy school graduates preparing to take the MPJE, or by those who want an update on Pharmacy Law and Quality Assurance. **Students must follow the two-week course schedule.** Online discussion boards, instructor monitoring and interaction keep you on track throughout the course. Assignments, tests and quizzes track your progress. You must complete all assignments and quizzes and receive a score of 70% or higher on the final exam to pass this course and receive credit.

This course is accredited by ACPE for 15 hours of home study law education. Partial credit will not be awarded. You must finish the course in the two weeks allowed. Upon successful completion, a certificate of credit will be issued to you by the Connecticut Pharmacists Association with whom AzPA has partnered to offer this course.

Upon successful completion the participant will be able to:

- Explain all laws pertaining to prescription processing of non-controlled and controlled substances and the record-keeping of those substances.
- Compare laws pertaining to pharmacists' supervision of interns, technicians and temporary pharmacists.
- Identify the duties and limitations of the technicians.
- Explain the ethics of filling prescriptions and confidentiality with regard to HIPAA.
- Explain the requirements of OBRA and who is allowed to counsel or make the offer to counsel.
- Explain the definition of a prescription error and the types of prescription errors.
- Identify examples of sound-alike/look-alike drugs, confirmation bias and other issues impacting error prevention.
