AzPA is offering this course to help prepare pharmacy technicians\* to successfully complete PTCB's technician certification exam. In seven classroom sessions held at Arizona Pharmacy Alliance in Tempe, class members will discover and develop techniques that will enhance their performance as pharmacy technicians. Each **mandatory** three-hour session will involve introductory presentation from pharmacists with expertise on the subject.

For only **\$375** you can begin your review for the PTCB Examination. Classes taught by Carl Labbe, R.Ph. He is currently Pharmacy Manager for Fry's Food and Drug. He is licensed in Arizona and Colorado.

Reserve your place in the next exam review class. Space is limited to 25 registrants.

**Money-Back Guarantee:**

If you attend each of the seven, three-hour sessions (21 total hours) and score 75% or better on the final exam, but do not pass the PTCB National Certification Exam, the Arizona Pharmacy Alliance will either:

*Refund your class registration fee of \$300 (Tuition less book & fees)*

**Or**

*allow you to retake this course at no additional fee*

\*Prior work experience recommended.
