

PTCB EXAM REVIEW

EVERYTHING YOU NEED TO KNOW

ACE YOUR EXAM

The AzPA is offering an opportunity to help prepare pharmacy technicians to successfully complete PTCB's technician certification exam. In seven class sessions, at Arizona Pharmacy Alliance in Tempe, class members will discover and develop techniques that will enhance their performance as pharmacy technicians. Each mandatory three-hour session will involve introductory presentation from pharmacists with expertise on the subject. For only, **\$325**, you can begin your review for the PTCB Examination. Classes taught by Carl Labbe, R.Ph. He is currently the Pharmacy Manager for Banner Desert Medical Center Outpatient Pharmacy. He is licensed in Arizona and Colorado.

Session 1. Oct. 1
A. Introductions and pre-test

Carefully read and initial that you fully understand the following prior to registering:

I understand that it is in my best interest to only register for this class if I am planning to register for the **on line testing window of 11/10/08 through 12/19/08**, PTCB National Certification Exam. I also understand that this review course **does not include nor does it register** me for the PTCB National Certification Exam. I also understand that it is my responsibility to obtain the necessary application and to meet the receipt deadline dates set by the Pharmacy Technician Certification Board. You can register on line. The PTCB's website address is www.ptcb.org. Receipt deadline for the **on line testing window of 11/10/08 through 12/19/08** is **October 17, 2008**. There are no exceptions; the PTCB must **receive** your application by midnight, **10/17/08!** I understand that I must achieve a 75% or better on our "mock" exam and attend each session to qualify for the money \$260 (less book exchange) back guarantee. **Initial:** _____
